

Shipwright's Kit

With peg and mallet you mend what the sea has tried to take from the company.

Snap 1 piece back on the ship.

Repair

Lookout

From the prow you cry out, for a hidden channel has opened ahead of the voyagers.

Navigate

Lookout

From the prow you cry out, for a hidden channel has opened ahead of the voyagers.

Navigate

Extra Oars

When the wind dies, the sailors take extra benches and pull until the ship answers.

You may sail 2 spaces against the wind

Sail

Extra Oars

When the wind dies, the sailors take extra benches and pull until the ship answers.

You may sail 2 spaces against the wind

Sail

Better Sails

You bend new canvas to the mast, hoping even a whisper of wind will serve.

If you have a sail, you may sail 3 places with the wind.

Strong Rowing

You bend to the oars and force the ship against a stubborn current.

You may sail 2 spaces against the wind

Sail

Favorable Wind

The wind turns in your favor, and for a moment the whole voyage feels possible.

Navigate

Aeolus' Breath

Aeolus remembers the company and looses a single breath from the bag of winds.

Rotate the wind dial one step. Then roll the dice and sail.

Special

Secret Passage

You slip through a seam in the rings that no honest sailor could see.

Rotate the wind dial to any position. Then navigate.

Cyclops' Club

You steal the cyclops' club and find it clumsy, crushing, and terribly loud.

Explore

Potion of Courage

Circe's brew goes down bitter,
and you remember how to stand.

Explore

Tactical Insight

Athena shows you when to strike and when to keep your tongue still.

Explore

Quiet Harbor

In Scheria's calm you let the oars rest, and no god troubles the companions' sleep.

Rest

Quick Repairs

You drive a peg true and are already turning to the next disaster.

Snap 1 piece back on the ship.
Play another card.

Hermes' Sandals

Hermes lends you his winged hurry, and the road opens before the dust has settled.

Move with the wind without rolling. Play another card.

Special

Golden Fleece

Draw 2 adventure cards. Play another card.

Special

Divine Rope

A god-tied line catches your miss, and the landing party still holds together.

If revealed during a challenge, any player may still JOIN.

Special

Enchanted Rope

Circe's cord closes around a near disaster and will not let your crew fail.

If revealed during a challenge, any player may still JOIN.

Special

Rope

You carry ordinary line, enough to sail with, to climb, or to bind a mistake.

If revealed during a challenge, any player may still JOIN.

Special

Scout Ahead

You go forward, see what waits, and choose your tool while there is still time.

Navigate

Scout Ahead

You go forward, see what waits, and choose your tool while there is still time.

Navigate

Scout Ahead

You go forward, see what waits, and choose your tool while there is still time.

Navigate

Scout Ahead

You go forward, see what waits, and choose your tool while there is still time.

Navigate

Divine Protection

A small shield of favor settles over you, and the gods' anger loses its edge.

Seek an Adventure card from the pile. Shuffle afterward

Pray

Sworn Oath

You make every man swear not to touch Helios' cattle. The oath holds, and the cattle live.

At Thrinacia, Explore without a challenge.

Explore

Hermes' Decree

Zeus sends Hermes with the order. Calypso obeys, helps build your raft, and lets you go.

At Ogygia, Explore without a challenge.

Explore

Odysseus' Cunning

You call yourself Nobody, and the Cyclops learns that name too late.

At Polyphemus' island,
Explore without a challenge.

Explore

Great Bow

You string the bow no suitor can draw, and the first arrow finds the hall's loudest guest.

At Ithaca, Explore without a challenge.

Explore

Telemachus' Boldness

With his nerve you take what you need and leave a fair exchange.

Choose another player. Look at their hand. Swap one card with them.

Special

Crew Dispute

Tempers flare, when the argument ends, cards have changed hands.

Swap one card with another player, sight unseen.

Special

Blessing of Hermes

The messenger god lends you his speed, and you act twice before Helios takes a step.

Move with or against the wind without rolling. Play another card.

Special

Blessing of Ares

Ares puts war-god steel in your hands for the next unfriendly shore.

Explore

Blessing of Poseidon

For one hour Poseidon forgets his grudge and walks beside your keel.

Navigate

Favor of Aeolus

Aeolus places the bag in your hands and lets you command the winds till dusk.

Set the wind dial to any position.

Apollo's Light

Apollo's daylight finds you, and the dread on your chest thins away.

Return a face-down card back to your hand.

Rest

Fear

Your hands will not stop shaking, and courage feels like a thing other sailors still own.

Burden

Exhaustion

You sleep as the dead sleep, and wake no stronger than when you lay down.

Burden

Injury

A wound takes the place where your spear should have been, and the kit feels heavier.

Burden

Broken Tool

Your hammer's head is gone, and every motion of repair ends in nothing.

Burden

Waterlogged Supplies

Your ration has spoiled in the wet, yet it still claims its place in the hold.

Burden

Lotus Daze

The sweetness of the lotus makes Ithaca feel farther from you than any map could show.

Burden

Poseidon's Grudge

The sea has not forgotten the blinded Cyclops, and it makes your company pay for the memory.

Burden

Night Passage

You keep the ship moving through the dark while the sailors trust your hand on the tiller.

Sail

Spring Water

You find a fresh spring inland and fill the skins before the company moves on.

Gather

Wild Figs

You climb the slope and gather figs from the grove while the ship waits below.

Gather

Honeycomb

You take honey from a wild hive and share the sweetness among the companions.

Gather

Sleep Below Deck

You curl up in the hold while the ship creaks, and for once the sea lets you sleep.

Rest

Starlit Bivouac

You lie on the shore under the stars while the companions keep the fire between you and the dark.

Rest

Caulking Pitch

You work hot pitch into the seams and stop the sea from finding its way inside.

Snap 1 piece back on the ship.

Repair

Spare Plank

You fit a spare plank where the hull gave way and drive the nails home with steady hands.

Snap 1 piece back on the ship.

Repair

Lash the Mast

You lash the mast where the storm loosened it, and the rigging holds once more.

Snap 1 piece back on the ship.
